

FINAL ANNOUNCEMENT

30th Summer School and International Symposium on the Physics of Ionized Gases, August 24-28, 2020

Dear Colleagues,

Due to the current serious situation of the COVID19 pandemic in Serbia, the Organizing Committee have decided that **SPIG2020 will be held in full virtual format**. Please find below several important announcements.

1. Virtual format of SPIG2020

The SPIG2020 will be held through the online *Webex Event* platform. Each day we will have a separate *Webex Event* (with the second Event for a parallel session). Each session will consist of presentations with the Q&A. The invitation to join the sessions will be sent individually to all registered participants by e-mail one week before the meeting. Please contact Organizers should you not have received this link or in case you have problems connecting.

For all details see **Virtual meeting Guidelines and Code of Conduct**

<http://spig2020.ipb.ac.rs/CodeConductSPIG2020.html>

On **August 18-20, 12:00-14:00 CET**, there will be three test-sessions for the participants to check their audio/video setup, as well as to get familiar with the *Webex Event* platform.

A special test-session will be dedicated to Session Chairs on **August 19-20, 14:00-15:00 CET**.

All invitations will be communicated to registered participants by e-mail.

The internet connection, bandwidth requirements for optimal use are: 2.0 Mbps up, 4.0 Mbps down.

2. The Book of Contributed Papers and Abstracts of Invited Lectures and Progress reports

The Book of Contributed Papers and Abstracts of Invited Lectures and Progress reports is published as a special issue of Publications of the Astronomical Observatory of Belgrade.

The Book is available in an electronic form at the following link:

3. The Programme

The SPIG2020 programme is available online: <http://spig2020.ipb.ac.rs/SPIG2020-program.pdf>

The list of accepted poster presentations: http://spig2020.ipb.ac.rs/SPIG2020_Posters.pdf

For the poster presentations we are having the virtual poster gallery (for details on virtual poster upload visit: <http://spig2020.ipb.ac.rs/posters.html>) and two sessions dedicated to short poster presentations of 3 min for each poster. If you are willing to use the possibility of a short poster presentation, please notify the organizers until August 17th, 2020.

4. EPJ D Topical Issue

The EPJ D Topical Issue "Advances in Physics of Ionized Gases and Spectroscopy of Isolated Complex Systems: from Biomolecules to Space Particles" (2020) is open for submissions. For details follow the link: http://www.spig2020.ipb.ac.rs/Topical_Issue.html

IMPORTANT DATES

Test session for *Webex Event* platform: **August 18-20, 12:00-14:00 CET**
